ACTION ON AMENDMENT TO THE CLAIMS

Dear Examiner Brown (LIE):

In response to the office communication from you dated July 25, 2005, re Notice of Non-Compliant Amendment (37 CFR 1,121), I am submitting the enclosed changes. These changes include the cancellation of Claims 1-17 according to the required format and the proper showing of status for original Claims 18 and 19 as well as for new Claims 20 through 33. Further, according to 37 CFR 1.125, I have supplied a marked up version and a clean version of the ABSTRACT condensing it to not more than 150 words.

Hopefully I have accomplished this correctly according to the Rules.

Respectfully submitted,
